STONEBASE CHAIR SHOP has been located in the heart of Western Pennsylvania's Amish Country for over 17 years, consistently offering a unique selection of rockers, gliders, swivel gliders, ottomans, footstools and accessory tables in an assortment of wood species and designs. Our furniture became a popular choice in Amish style & design by artistically blending classic furniture styling with hand-crafted old world techniques. This results in a line of furniture, unrivaled in design and craftsmanship, built to last for generations.

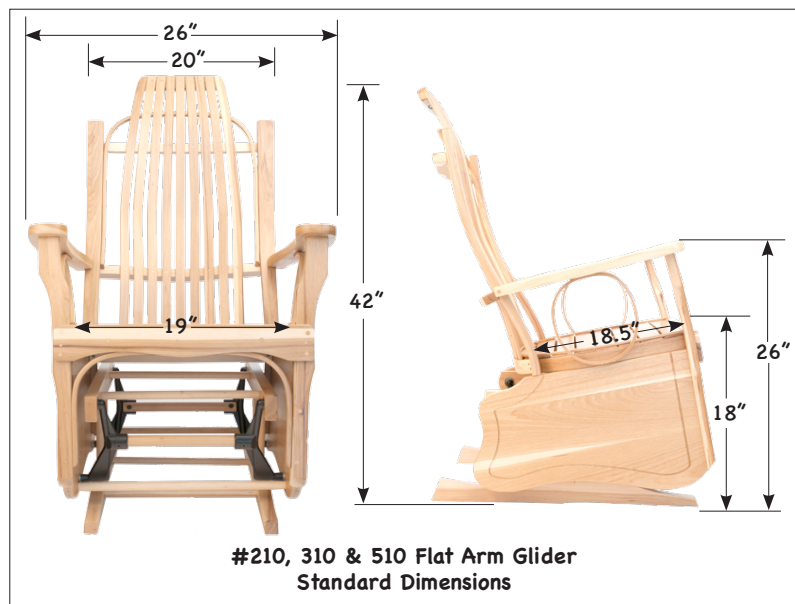

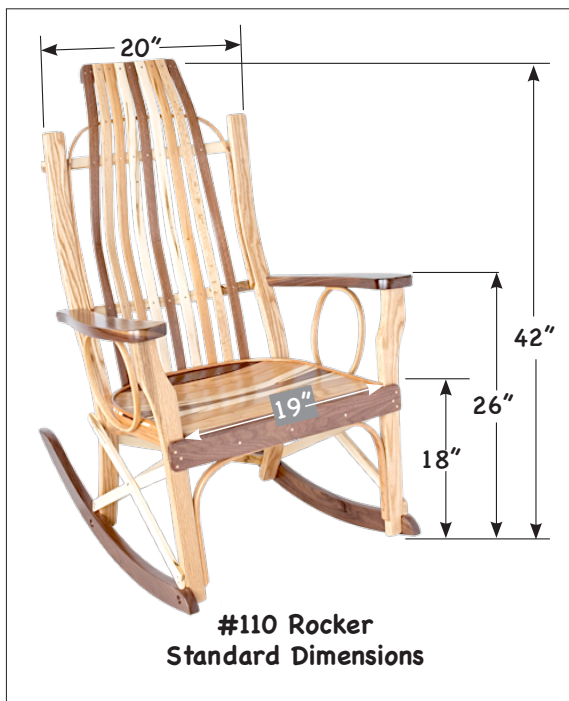

STONEBASE UPHOLSTERED GLIDERS, our latest line of furniture, was introduced in the Fall of 2018. *Now for 2020 our upholstered category has been expanded to include Classic Rockers and Mission Style Swivel Gliders.* The textile options are leather or fabrics from Buckeye, Weaver, Heartland & Byler's Fabrics. Our customized upholstered line offers a variety of options to fit any taste and enhance any room.

Our furniture, as always, is hand built by Amish furniture makers. Components are cut, steamed and bent in our custom molds, then drilled, sanded and assembled by hand. The completed furniture piece is then stained or painted with a two coat finish & cushioned upholstery is custom installed as ordered.

# DIMENSIONS

Stonebase Chair Shop rockers, gliders & swivel glider dimensions are standardized with only small variations between glider & swivel glider designs

All our chairs are designed to offer superior comfort and support with both removable or built-in upholstered options

Custom Dimensions are available upon request
