REST EASY. DREAM BIG.

- Made in the USA
- Durable Construction
- Solid Wood
- Eco-friendly Coatings
- Available in a Variety of Colors

About Us...

We are a family owned and operated company that has been in business in beautiful central Pennsylvania since 2003.

Our VersaLoft furniture is built with knot-free Southern Yellow Pine that is grown in the southeastern United States. Our craftsmen carefully hand select the material used... ensuring that every piece meets the highest quality standards.

All our furniture ships boxed via *FedEx Ground* and can be delivered to your store or drop-shipped anywhere in the U.S. All hardware is included along with step-by-step instructions and photos for easy assembly.

Whether you need more sleeping space for a growing family and the occasional over-night guests, or if you are looking to furnish a cabin or vacation home...VersaLoft has what you need. Contact us today and let us know how we can help you!

Our VersaLoft furniture is designed to fit the needs of your entire family. Whether you choose from our Bunkbeds, Loftbeds, Full Size Beds and Daybeds, or our tables and nightstands, all our pieces are constructed from solid wood, made in the USA and built to last for many years.

All bed frames are assembled by putting siderails in notches mortised in the bed posts. Bolts are then turned into threaded inserts to secure in place. This makes a very strong connection that cannot pull apart. Slat rolls, with slats spaced 3" apart, are used for the mattress base.

Our line of Harmony beds are available in four sizes. They are built with sturdy frames and side rails, making them as durable as they are beautiful.

Our Mission beds can be set up in multiple configurations to suit your needs. Two twin beds can be turned into a bunkbed with the additional ladder and safety rail kit. No longer need a bunkbed? Our bunkbeds can be taken apart and used as two individual twin beds. Need a space saver but do not want a bunkbed? A table or twin bed can be used underneath of our Loftbeds. For even more options, our drawer sets and trundles all come with heavy duty casters and fit underneath of all of our beds and daybeds.

All items are available unfinished or in 9 paint color and 4 stain color options. Stained options come with a clear varnish applied on top. All our paints, stains & varnishes are water based, child safe and comply with all CPSIA standards.

We also offer cushions and pillows that are made right in our own sewing room. Made from Agora fabric and available in 20 color options; they are suitable for indoor or outdoor use, are waterproof and easy to clean!

Harmony Home Collection

Warranty

The manufacturer offers a 5 year limited residential & 3 year limited commercial warranty which guarantees that our VersaLoft Beds shall be free from material and structural defects. Some exceptions and exclusions apply. Some of those are listed below. A complete and detailed warranty is available upon request.

EXCEPTIONS:

- We will only honor warranty claims that are submitted with photos of the defective product.
- We reserve the right to replace defective parts or products at our discretion
- We reserve the right to discontinue or modify any product line or color without notifying the Purchaser. If the original product is not available, we retain the right to choose to provide replacement material of equal value or quality
- This warranty shall only be applicable and enforceable in the USA and Canada
- Proper maintenance of product is required to support the benefits of this warranty. This warranty is voided if there are indications of abuse or neglect to the furniture. ***All VersaLoft Beds must be kept under a covered area.***
- This warranty does not apply to normal wear and tear effects
- Hardware used in production or assembly of VersaLoft Beds is warranted for 3 years of residential use and 2 years of commercial use

EXCLUSIONS:

The following items are specifically excluded from warranty & the manufacturer shall not be liable for any failure, defect or damage resulting from or connected with the following:

- Assembly/handling of products after they leave our facility, including any lack of / or improper performance in any way by the dealer or person assembling the product
- Color and/or grain variation in wood
- Fading of finish color
- Natural checking/splitting/cracking of wood
- Scratches, chips, and dents in finish after delivery of product or due to abnormal use of products
- Color or pattern variance between any new replacement section or pieces and other sections or pieces
- Rust or corrosion of all hardware
- The application of paint, varnish or other coating made after purchase
- The use of heat or radiation from an external source, such as a barbecue grill, appliance, or fire
- Any lack of compatibility between our products and any other product not manufactured by us that causes damage to or failure of our products
- The unreasonable use, misuse, physical abuse, permanent deformation or destruction by human or animal, vandalism, riot, insurrection, civil disorder, accidents, any act of God (fire, flooding, hurricane, earthquake, tornado, lightning, ice, etc.), environmental condition (air pollution, mold, mildew, etc.), staining from foreign substances (dirt, grease, oil, food, etc.), or normal weathering (defined as exposure to sunlight, weather and atmosphere which may cause any colored surface to gradually fade, darken, chalk, or accumulate dirt or stains)
- Post-delivery labor, transportation, or assembly costs
