SIMPLY CRAFTED™

Legacy

noun | leg.a.cy | \ˈle-gə-sē\

1. Anything handed down from an ancestor or predecessor

Lancaster County, Pennsylvania – 1730. Our forefathers first arrived in the New World in search of a land where they might raise their families on a tradition of hard work and unwavering faith. Settling the fertile land of south-eastern Pennsylvania or “Penn's Woods”, as it was then known, they built a community centered around faith, brotherhood, and hard work. Today we’re recipients of that legacy handed down to us. “Lancaster Legacy” is our way of passing on that legacy from our ancestors to you. We use the gift of hard work and God-given ingenuity to produce furniture that will endure the test of time; furniture that you can share with your children and grandchildren. To us, furniture is more than wood and stain and finish. It is a way to use the blessings we’ve been given to bless you and your loved ones, now and in following generations.

Simply Crafted

What it means for you...

NORTH AMERICAN HARDWOOD

The foundation for every piece we build—sustainably harvested for a smaller footprint in the world you love.

STYLES THAT MATTER

From modern trends to timeless classics...there's a style you'll love. Browse our collections and start your own legacy.

SOMETIMES IT'S THE LITTLE THINGS...

...like concealed drawer slides, touch operated lighting, or self storing leaves. Maybe its the quality build of a dovetail drawer box or the aesthetic appeal of an antiquated finish on a rough sawn top. What do you find pleasure in?

FINISH THAT LASTS

Wood enhancing stains, state of the art conversion varnishes, and paints are all hand applied to beautify and protect your furniture from years of spills and the wear and tear of life.

HARDWARE THAT WORKS

Top grade pulls and knobs to give a stunning first impression while those hidden, soft-close slides keep working hard in the background to give you years of pleasant openings.

CRAFTSMEN WHO CARE

Under the discerning eye of a craftsman every step of the way, each piece is built for each customer, one piece at a time, and we're not ashamed to put our name on it!

Uniquely Yours

Wood is a naturally occurring fiber and is as unique as the tree from which it is harvested. Please keep in mind that grain irregularities and density variations in the wood will affect the final look of applied stains and finishes. Due also to the handcrafted nature of our finishing process you may experience slight variations from the colors and wood grain shown in the samples shown here.

Caring for your Legacy

Your furniture is designed to give you many years of useful service, but it needs a little help along the way.

CONTROL THE ENVIRONMENT

To avoid cracks and splits in wood panels, keep the indoor humidity levels between 35% and 45%. Avoid placing furniture in direct sunlight or near other heat sources such as stoves or radiators. Never store furniture in an attic or damp basement.

CLEANING RECOMMENDATIONS

Avoid dusting with a dry cloth, this may cause tiny scratches in the finish. Always use a soft damp cloth following the grain. Avoid using polishes that contain ammonia or silicone. Clean up spills immediately using warm soapy water.
