WARRANTY AND CARE

POLY GENERATIONAL **PLUS** WARRANTY

Patiova's Premium Furniture, crafted by skilled Amish artisans, sets the standard in outdoor living furniture. We design our heavyweight heritage pieces to withstand severe weather conditions, offering heavyweight performance ideal for any resort or outdoor room.

We proudly present our **Generational Plus Warranty**, a testament to our confidence in the durability and quality of our products. This 20-year warranty* for residential use and (a 5-year warranty for commercial use) **plus**, it covers both the premium poly material and marine-grade hardware, beyond what most other brands can offer.

We recommend using covers and a regular cleaning schedule to keep your furniture in its best appearance.

POLY MAINTENANCE & CARE

GENERAL CLEANING: Scrub boards with soap and water solution using a soft sponge or plastic bristled brush. You can use a soft bristled toothbrush to clean spaces that are hard to reach. To remove surface dust, hose furniture down with cold, clear water.

DEEP CLEANING: A pressure washer can be used on the lightest setting to deep clean your furniture. It is not recommended to use more than 1,500 psi. Keep the tip of the pressure washer at least 10-12 inches from the furniture so it doesn't damage the lumber. For a list of specific stains and removal, visit TangentMaterials.com.

PLEASE NOTE: If you purchase a Patiova product directly from a premium dealer or other source, please reach out to them directly. Due to specific supplier policies and locations, you will need to coordinate assistance with their departments.

**Our warranties do not cover neglect, misuse, incorrect assembly, lack of proper maintenance, minor wear and nicks from common use, animal and pet damage, and our cushions and fabrics.*

NOTICE: The product colors, availability, and specific details showcased in our print catalog are subject to change without prior notice. For the most current information and available options, we strongly recommend contacting us directly. We strive to provide the most accurate information at the time of print, but changes in our inventory or product specifications may occur.

CLASSIC WOOD **PLUS** WARRANTY

Patiova's Classic Wood Furniture is a beautiful, low-maintenance option. Our No. 1 Grade and pressure-treated boards require proper maintenance, as with all outdoor wood. Companies with aggressive environmental programs harvest our lumber and use non-arsenic, environmentally safe preservatives.

Patiova guarantees all wood furniture for **two (2) years** against the manufacturer's defects or materials.* **Plus**, a **lifetime limited warranty** against decay, fungal rot, and termite infestation.

Patiova's wood furniture can be painted or stained and will benefit from periodic cleaning and water-repellent coatings. We recommend using furniture covers.

WOOD MAINTENANCE & CARE

INSPECT REGULARLY: Splintered surfaces should be sanded smooth to avoid injury. Cracks resulting from weathering are normal and do not need to be replaced. Pieces with structural damage DO need to be replaced promptly.

STAINING INSTRUCTIONS: A quality water sealer and/or stain can be applied per owner's preference. For best results, apply sealer/stain within a month after receiving furniture, following instructions on product label. If your furniture was purchased with a stain already applied, it should be re-sealed within two years with a sealer/stain of your choice. When applying follow-up treatments, always follow instructions on product label.

QUICK SHIP PROGRAM

Our Quick Ship Program features specific furniture pieces available in certain colors and sizes that are ready to ship within 3-4 business days.

Most of our Quick Ship items are packaged inside a box for easy shipping and handling. We pre-assemble as much as we can to save you time and enhance quality.

The Adirondack Chair ships in 6 segments with only 10 pieces of hardware. With an assembly time of only 15 minutes, there's more time for living inside out!

Look for the Quick Ship icon.

WHY CHOOSE AMISH-CRAFTED?

Choose Amish-crafted furniture for its authenticity and uncompromising quality. At the heart of every Patiova piece is a testament to those who refuse to compromise. Our craftsmen still employ traditional carpentry techniques like mortise and tenon joints, ensuring durability beyond a mere season or two. While other brands may cut corners, our artisans look for superior materials and methods. They enjoy the fact that, with proper care, their pieces will bring joy to generations to come.

CARE FOR CRAFTSMANSHIP

At Patiova, we offer authentic, 100% American-made, Amish-crafted outdoor furniture made in-house and never partly built elsewhere. Our Amish craftsmen use only the best materials and the heritage building techniques they've perfected.

We are hands-on with each piece we build, ensuring that every measurement is perfect, each joint is strong, and every finished piece is flawless.

If you're ever in our area, stop by and ask for a tour. We love to share our passion for making the best outdoor living furniture.

CARE FOR COMMUNITY

What some call sustainability, we call our standard way of working and thinking. Our collections are crafted with future generations in mind. That's why we use the best FTC Green Standard-rated Tangent® poly. Every piece made is free of toxins and irritants, and isn't chemically treated, ultimately making it a safer product for you. Because the most sustainable furniture in the world is one that lasts for future generations to enjoy.

Our wooden furniture is crafted from timber harvested from sustainable forests and treated to survive in your outdoor spaces. With proper maintenance, these pieces provide years of enjoyment while supporting sustainable practices.

12

HERITAGE POLY FURNITURE:

AGELESS BEAUTY. HERITAGE TOUGHNESS.

Patiova's Heritage Poly Furniture line is a premium choice in outdoor furniture - 100% crafted in America. Our strength lies in traditional carpentry techniques and consistently superior heavyweight materials used throughout our furniture. Each piece is an investment in outdoor living, built for severe weather, and designed for generations of enjoyment.

PREMIER MATERIALS

TIMELESS DESIGNS

HEIRLOOM CONSTRUCTION

UV STABILIZERS

STAINLESS STEEL (USED THROUGHOUT)

1 SEVERE WEATHERPROOFING

Leave it out all season, and then some. Wind and gust proof. Maintenance free and simple to clean.

2 MAINTENANCE FREE

Our poly uses less foam which creates a more solid, nonporous board. Food and wine stains will not be absorbed and can be wiped off easily.

3 SUPERIOR MATERIALS & BUILD

Never cutting back on material thicknesses, or construction methods, our premium line of outdoor furniture focuses on quality, not speed of production.

4 COLOR CONFIDENCE

Enhanced UV protection added to poly for long-lasting color stability.

5 BEST-IN-CLASS POLY

Our premium performance poly is rated FTC Green Standard in sustainability.

6 TRADITIONAL CARPENTRY TECHNIQUES

Mortise and tenon joints, consistent board spacings, hidden front screws all take more time but creates heirloom-quality furniture.

7 RESORT CLASS LIVING

The same outdoor living furniture styles found at elite resorts. Our 23" wide seats are more solid and visually appealing than the standard 18-21" lower-grade line of outdoor furniture.

8 100% AMERICAN CRAFTED FURNITURE

Built in Central PA by our Amish craftsmen and never partly created somewhere else.

POLY AND STAIN COLLECTION

Discover the richness of our Poly and Stain Color Options. Our heavyweight Poly offerings provide extreme weather-proofing, featuring supreme fade-resistant colors without maintenance. Our low-maintenance wood stain colors are twice-applied and finished with our horsehair brushes. This reflects the time and energy our Amish artisans invest in every piece. While all outdoor materials face weathering, our products outlast others thanks to superior materials and craftsmanship.
