RUSTIC FURNITURE COLLECTIONS

RUSTIC FURNITURE COLLECTION

Celebrate nature with your choice of fine one-of-a-kind furniture pieces that are masterfully crafted from choice hardwoods. All hardwood is carefully selected from US forests and dried naturally for 3 months. The hardwood is then kiln-dried to a precise moisture content ideal for crafting quality furniture. Hand selected pieces are used by craftsmen for components ideally suited for each piece. Experienced steam benders use the hundred year old process of applying steam and pressure to permanently bend each piece to the desired shape. Everything is carefully cut and fitted using traditional joinery methods, building a masterpiece that will last for ages. Over time, the natural color will age, testifying to its genuine hardwood production. Our pieces glow with pioneer vigor and wild freedom.
